

Easy Ladies Seed Stitch Slippers

These slippers can be knitted in less than three hours and are sure to please anyone with cold feet! This is a beginner level pattern that I designed myself. It provides you with practice in using the basic knit and purl stitches in a combination of ways to make the pattern on the sides of the slipper. The foot of the slipper is knitted sideways and the sole of the slipper is done in stockinette stitch, which I find is more comfortable to wear. Enjoy!

Supplies: Yarn: Worsted Weight Acrylic or Wool
Needles: US Size 8 (or size for gauge)

Gauge: 4 stitches/inch; 8 rows/inch

Sample was done in Lion Brand Sayelle Acrylic Yarn. You could also use a worsted weight wool or wool blend.

To knit the FOOT: Cast on 29 stitches.

When you have one stitch left, clip the yarn and pull the yarn through the stitch.

Knitting the TOE: (To make the toe, you will now pick up stitches along one edge of the rows you just knitted. This means that you will need to turn your knitted foot 90 degrees to knit the toe.)

With the right side facing toward you, pick up 43 stitches across the row edge. (Picture below)

Row 1: Purl across the row.

Row 2: K1, P1 across the row.

Row 3: Purl 1, K1 across the row.

Rows 4 - 21: Repeat rows 2 & 3.

Cut Yarn approximately 24 inches from the needle.

Finishing: Using a Yarn Needle, thread the yarn through all stitches and pull them off the knitting needle. Pull the yarn tight to draw up the top of the toe and fasten. Using the mattress stitch, sew up the toe seam to where the toe joins the foot. Fasten off. Using approximately 12 inch length of yarn, sew the heel edges together and fasten off. Weave in ends.
